## OUR COACHES BUILD MORE THAN A TEAM

Established in 1996, NY Raptors co-ed Special Hockey Team is seeking players. What's required the most is D-E-S-I-R-E.

The Raptors cater to those with developmental disabilities that keep them from playing on other community ice hockey teams. We are an all-volunteer organization and, while it is rare, there are times when a player's physical or emotional needs would not be a good fit for our team.

Each player will learn how to: play the game, stickhandle the puck, pass, shoot, make a save and so much more. Special Hockey allows all players to achieve their individual goals at their own pace. Best of all, each player is immediately and actively involved—participating in every practice and every game.

**Practice time: Sunday Afternoons**  
**Where: Westchester Skating Academy**  
91 Fairview Park Drive, Elmsford, NY 10503  
Fee: \$570, Mid-September through March  
Limited Scholarship Funds are Available
