## OUR COACHES BUILD MORE THAN A TEAM

Established in 1996, NY Raptors co-ed Special Hockey Team is seeking players. What's required the most is D-E-S-I-R-E.

The NY Raptors bring the thrill of hockey to all, including those with developmental and/or physical disabilities that keep them from playing on other community ice hockey teams. While we try hard to accommodate most applicants' needs, there are times when a player's physical or emotional needs would not be a good fit for our team.

Each player will learn how to: play the game, stickhandle the puck, pass, shoot, make a save and so much more. Special Hockey allows all players to achieve their individual goals at their own pace. Best of all, each player is immediately and actively involved—participating in every practice and every game.

**Practice time: Sunday Afternoons, mid-September through March**

**Where: Westchester Skating Academy**

91 Fairview Park Drive; Elmsford, NY 10503

Fee: \$500

Limited Scholarship Funds are Available
